

ACADEMIC DETAILS

Degree	Specialization	Institute	Year	CPI/%
B.Tech.	AI and Chemical Engineering	IIT Gandhinagar	2022-Present	7.91
Class XII	Physics, Chemistry, Mathematics	Dr. V. G. Paranjape, Rahimatpur	2021-2022	88.33
Class X		Podar International School, Satara	2019-2020	95.2

INTERNSHIP EXPERIENCE

- **ASCENT Intern** | **Axis Bank** | [Certificate](#)

[May '26 – July '26]

(Automation for TCoE)

◦ Built a **Java 21 + Selenium 4** desktop test recorder with a **Swing dashboard** and heuristic locator-scoring engine that captures Chrome sessions, ranks locator fragility, and generates **JUnit 5** test artifacts.

◦ Delivered a **self-healing replay pipeline** with environment-aware credential tokenization, Select2/SPA-aware locators, and per-session archival, cutting manual Katalon authoring time from hours to under two minutes.

◦ Engineered a browser-based synthetic test data dashboard in **JavaScript** with rule-aware schema generation and **Katalon-ready CSV exports** for SFDC and Finacle flows, delivering an **8x speedup** from 40 minutes to under 5.
- PROJECTS
- **Multi-Tenant Research Automation Platform** | [Project Link](#)

[Jul '26 – Aug '26]

◦ Built an **AI research platform** for document ingestion, evidence retrieval, grounded answers, and web fallback.

◦ Architected a scalable **RAG platform** with **FastAPI**, **PostgreSQL RLS**, and **Google OAuth 2.0** for tenant isolation.

◦ Engineered **HNSW + BM25** hybrid retrieval with **RRF**, improving **Recall@5** from **74% to 91%** on **MS MARCO/SciFact**.

◦ Built **CRAG with Groq/Tavily** and Nginx load-balanced services, cutting **P95 latency 30%+** and reaching **450+ req/s**.

• **E-Commerce Semantic Search Engine** | [Project Link](#)

[March '26 – April '26]

(Prof. Anirban Dasgupta)

◦ Created a semantic search engine over 12,732 Flipkart products using **all-MiniLM-L12-v2** embeddings in **FAISS**.

◦ Implemented four retrieval models spanning graph traversal, metadata re-ranking, and **LLM query expansion**.

◦ Benchmarked them on exact, semantic, and vague queries via a **Flask API**, achieving **0.897 NDCG** on semantic.

• **Real-Time Code Collaboration Platform** | [Project Link](#)

[May '24 – Jun '24]

(React.js, Responsive Web Design)

◦ Built a collaborative online code editor supporting real-time editing via **React.js**, **Node.js**, **Express**, and **WebSockets**.

◦ Enabled real-time multi-user collaboration using room-based sessions and socket messaging to sync code changes.

◦ Added essential features like live code updates, syntax highlighting, and session-based state management logic.

◦ Used **Vercel** for frontend deployment and **Render** for backend, optimizing for low latency and scalable performance.

• **FedEx | Optimal Cargo Management for Flights** | [Project Link](#)

[Dec '24]

(Inter IIT Tech Meet 13.0 | IIT Bombay)

◦ Created a **Sequential Genetic Algorithm** with a **Deepest-Bottom-Left** heuristic to optimize **ULD packing**.

◦ Implemented **Modified OX**, **2-OPT/orientation mutation**, and constraint validation; converged in **~70 generations**.

◦ Achieved a total cost of **32,936**, within **1,336** of the optimal cost, at **78.86% mean volumetric efficiency**.
- TECHNICAL SKILLS
- **Programming Languages:** Python, C++, Java, JavaScript, SQL.

• **Libraries/Frameworks:** PyTorch, scikit-learn, Flask, FastAPI, React.js, Node.js, Express.js, WebSockets, HTML, CSS.

• **Tools:** Linux, Git, GitHub, Docker, Katalon.

• **Courses:** Data Structures and Algorithms, Machine Learning, Operating Systems, DBMS, OOP.
- ACHIEVEMENTS
- Secured **AIR 702** in The Integral Cup 2026 Season 2, Mathematics in Machine Learning track.

2026

• Awarded two institute scholarships of Rs. 1,00,000 each for exceptional **all-round performance**.

2025-26

• Received the prestigious **National Talent Search Scholarship** (awarded to the top 0.2% of students in India).

2024

• Achieved a percentile of **99.33** in JEE Mains and **99.77** in CET Maharashtra.

2022
- POSITIONS OF RESPONSIBILITY
- **Event Coordinator** (Industrial Relations and Projects Council, IITGN)

[Aug '24 – Apr '25]

◦ Led a **15-member team** to organize professional development events, talks, and workshops with **industry**.

• **Senior Executive Tech Expo Member** (Amalthea'23 Technical Summit, IITGN)

[Dec '22 – Nov '23]

◦ Organized a large-scale **technical exhibition** by coordinating with **industry and academia**, hosting **22 companies**.
- EXTRA-CURRICULAR ACTIVITIES
- **Cultural Competitor, IITGN:** Choreographed and performed for IITGN at Inter-IIT Cultural Meet 5.0 and 8.0

2023-25

• **Roller Skating Athlete:** Secured 3rd place at the National Championship, Indore (Under-14)

2015
